

Come and Sing at a free taster session on Thursday 25<sup>th</sup> January 2018  
at Market Lavington Community Hall, 8 for 8.15!!

Singing is good for you and singing with other people is even better, but some of us are rather nervous about actually joining a choir so .....

Lavington Community Choir invites you to come along to a 'one off' sing of some Beatles Music and hopefully you will discover that it's lots of fun.

And we're hoping that some of you who have had a break from the choir might like to come along too, to add your voices

So .... just turn up on the night!!!
